IN RESPONSE TO COVID-19

Hi-Plains Community:

Hi-Plains School will be providing breakfast and lunch for students during school days beginning March 24. Meals will be served in a grab and go style with pick up points being placed at the Hi-Plains School cafeteria door and Vona Community Building. Pick up times will be between 10:00 a.m. and 11:00 a.m. Lunch for the current day and breakfast for the following day will be provided at pick up. **Please notify the school if plan on picking up meals.** You may leave a message on the school phone if no one answers and we will check messages regularly.

During our first week of closure, teachers will be planning for remote learning for students should the closure be extended beyond next week. We will be placing links on our school website, www.hp-patriots.com, to online resources for students to continue their learning. Teachers will be in touch next week if this becomes necessary. I would still encourage parents to have students connect to online resources even during next week as to not regress in their learning.

Please regularly check our school website, www.hp-patriots.com, for continued communications. I will keep the community informed as new information comes available.

Be Well,

Michael Clark
Superintendent
